The captioned application became abandoned for failure to properly respond to an Advisory Action mailed November 12, 2008 and the failure to respond was unintentional. The possible misunderstanding was discovered on or about May 21, 2009, which was confirmed in a subsequent investigation, and a response to the outstanding action was then prepared.

A response to the Advisory Action in the form of a Notice of Appeal and proper fee is attached; and a terminal disclaimer under 37 CFR §1.20(d) is not required for the captioned application because it was filed after June 8, 1995.

(2) The petition fee of **\$1,620.00** as set forth in 37 CFR §1.17(m) and the Notice of Appeal fee of **\$540.00** are hereby authorized to be charge to the **Patti, Hewitt & Arezina LLC Business Credit Card**.

In the event of under or overpayment of a fee at anytime during the prosecution of the subject application, the Commissioner is hereby authorized to charge or credit the **Patti, Hewitt & Arezina LLC Credit Card** the amount necessary to correct the error.

Applicant respectfully petitions that the captioned application above be revived as a pending application.

Respectfully submitted,

Carmen B. Patti
